-

When Good Communication Goes Bad - What Do You Say?

Dealing with sticky situations can make anyone feel off balance. Learning how to “think on your feet” can help make those times less stressful. By using **Positive Power**™ Lines and understanding the application of **Power Levels**,™ you will be equipped to handle almost anything anyone might say.

Positive Power™ - **Communication Magic for Professional Women**

It's a big challenge for professional women to be powerful without being perceived as overpowering. Learn to apply specific sales techniques to your communication that will enable you to communicate with power, while avoiding the negative stereotypes that can keep you from advancing in your careers.

We're Not from Different Planets - We're Just from Different Playgrounds: Men, Women and Communication Differences

Are men and women really as far apart as Mars and Venus? Even if the differences seem mystifying at times, they're not that big! Put an end to **cross-talk** with the opposite sex. Learn how to play communication games so there are no winners and losers—only **connectors**!

Unleashing the Communication Potential of Individuals and Organizations.™
